Confederate Concert.

In the concert to be given in Lee Camp Hall at 8:30 o'clock on the evening of March 26th, for the benefit of the Alabama table at the Confederate Bazaar, the following musical talent in Richmond will be represented in a delightful program.

Miss Mamie Harrison, Miss Frances Diggs, Mr. Conway Gordon and Mr. Lohman will give a number of charming selections.

They will be assisted by the Virginia Glee Club, including Mr. Joseph White, bass; Mr. James McEwan, baritone; Mr. Morton and Mr. Walter Watkins, first and second tenors. Those who have heard the Glee Club need no assurance as to the quality of music to be expected from them.

Miss Harrison and Miss Diggs will each contribute a solo, while Miss Roberts Allen, with her violin, and Mr. Landella, with his clarinet, will render the attractions of the evening as varied as they are excellent.

A leading figure of the performance will be a song by Master Spencer Tugman, a youthful vocalist of nine years, who will give "Learning the Lesson."

Through Miss Harrison the Alabama table has received a handsome donation from Mr. Hoon in the shape of a picture of President Davis at his inauguration in the State House at Montgomery, Ala. This picture will be sold during the bazaar at the table.

Every member of the Alabama Committee is urgently requested to attend a meeting to be held Friday, 4:30 P. M., at No. 115 East Franklin Street. It is most important that there should be a full attendance.

Tennyson Reading.

Miss Ainspach's reading from Tennyson's "Memorials" will take place Friday afternoon at 5 o'clock in the home of Mrs. T. Harvey Clarke, No. 17 East Grace Street. Many no doubt will avail themselves of this opportunity of hearing this great poem read and commented on by one who always makes her theme so interesting.

The committee of the Louisiana table and the Confederate Bazaar feel specially interested in the success of the Bostock bazaar benefit, as it was obtained through the efforts of Mrs. Landonia Dashiell.

Afternoon the cups will be awarded to the little people who will compete for them, and this evening the unique ceremony of officially giving a name to the baby gorilla, Crab, will engage the attention of both grown people and children. Gilmore, of New Orleans, regent of Louisiana room at the Confederate Museum, and Miss Cora Richardson, of the membership of the New Orleans Chapter of the United Daughters of the Confederacy.

General Lee the Orator.

The ladies of the Oakwood Memorial Association are greatly pleased at having secured General Fitzhugh Lee as their orator for Oakwood Memorial Day, May 9th. May 10th is the regular Oakwood anniversary, kept in memory of General Lee's death. It is held in the city of Richmond, Virginia, and it will fall this year on Sunday, the memorial exercises will be held on the 9th.

General Lee always says the best that can be said on any subject he may have in hand. As an ex-Confederate, with his heart in whatever relates to the heroes of the Confederacy, R. may well be believed that no tenderer, truer voice could awake the echoes of the past in which they had lived and moved, than his own.

The full programme will shortly be published by the president of the Oakwood Memorial Association.

Personal Mention.

Mrs. John V. Gilmore, of New Orleans, will be the guest of Miss Scott, at No. 102 East Franklin Street, during the Confederate Bazaar.

Miss Betty Burwell Booker, who has been in Paris during the winter studying opera, will probably appear in concert at Covent Garden Theatre, London, during the approaching season.

With other prominent French and American musicians, Miss Booker has lately appeared in musicals in distinguished Parisian drawing-rooms under such patronesses as the Comtesse de Clichy, the Comtesse de Coudray, Madame Durkee and Madame Postel-Vinay.

It is possible that she will return to Virginia in July, and that she and her friends here will then have the opportunity of hearing her lovely voice with its added charm of development and fine training under the best European masters.

WILL FREE THE SLAVES

A Minister Is Here to Fight the Morphine Habit.

REV. DR. RICHIE THE MAN

He Comes Highly Endorsed, and Has Been Received With Open Arms by the Presbyterian Clergy-men of This City.

There has just arrived here from the North a distinguished Presbyterian minister, who comes for the express purpose of securing in Richmond a representative, probably among the ministerial class, for a benevolent organization of New York formed for the suppression of the morphine habit.

Under the auspices of this organization there will be started here, through the representative in question, a movement looking to the saving of those addicted to the use of pernicious drugs. To such as cannot afford to pay free treatment will be given through correspondence with the head office. Every effort will be made to raise, in addition to the money which they were, physically and morally, before they adopted the deadly use of drugs.

THE MOVEMENT. The minister who has just come in connection with this movement is Rev. Dr. W. N. Richie, formerly pastor of a large Presbyterian Church in Philadelphia. He is the secretary of the organization, which has at its head the Rev. Robert Sample, D. D., of the University of the North. The organization is otherwise highly endorsed, and Dr. Richie is being received with open arms by the Presbyterian clergy-men here, who have heard the Glee Club need no assurance as to the quality of music to be expected from them.

Some years ago Dr. John Hall, pastor of the Fifth Avenue Church, of New York, the leading Presbyterian preacher in the North in his time, became so impressed with the far-reaching and terrible effects of the use of opium that he united with Dr. Sample and other distinguished ministers in getting the matter laid before the Foreign Mission Boards through their secretaries. This led to the appointment of the committee.

Since that time the work has gone on with ever-growing success. As a basis for the work the committee has a remedy, discovered by a German scientist after fifteen years of experiment, which remedy has come into the possession of Dr. Richie. Dr. Richie became secretary of the committee, and so earnest were his efforts to save the morphine victims that he gave up his church and finally sold his horses and carriage and the jewelry of his wife.

The treatment discovered by the German was proved a marvelous success. Morphine addicts in the cities where the committee has established itself are hunted out and are put into communication with the head office in New York. Correspondence ensues and the patients are furnished with medicine and so on. After awhile they come forth cured and back where they were before the drugs began to drag them down. Many more cases, each and every one reported. The patient pays or not, according to his purse.

Among those who have been reclaimed are physicians, men and women, who have been in the habit of using morphine and others. It is a strange fact that many of those who apply are physicians. One out of every three is of this class.

It is this work which will be instituted here. Dr. Richie is now arranging to have a representative here, and he already has his man in view. Dr. Richie will be in the city within a coming day or two, and then will begin here the movement which has attracted much attention in other places. Through his representative opium addicts and others will be hunted out and put in touch with the New York office, and thereby started on the road to safety.

T. P. A. MEETING

One To-Night and the Annual Gathering Saturday Evening.

The Board of Directors of Post A meets to-night at the headquarters, corner Third and Main Streets, and on Saturday night of this week (March 21st) the annual meeting of the whole Post membership will be held. At this gathering there is expected a large proportion of the membership, due to the fact of their coming up so many important things to interest them.

Among some of the important affairs to look into are the reports of the officers and the standing committees, of which there are many; the mapping out of work for the ensuing year, also the election of officers for next term and making the appointment of delegates to the State convention, which meets in Danville April 24th and 25th, and, too, there will be great deal to say about the delightful time the ladies' auxiliary are preparing for on March 27th. The T. P. A. edition of The Times-Dispatch is creating the greatest interest, and the newly organized Post D, of South Boston, Va., is doing well.

Mr. John R. Cupper has just returned from an extended and profitable Southern trip.

The State secretary is very busy getting in applications. He says the latest mail brings eleven from Norfolk and six from Lynchburg. As to Richmond, fifty have come in since February.

Arrests Made.

R. L. Epps and James Kithens were last night arrested on a charge of vagrancy and carried away to the railroad jail. The goods were recovered, the arrest being made by Patrolman Hackett.

John Williams was arrested for stealing iron from the Chesapeake and Ohio Railroad. He denies his guilt.

Bessie Vaughan, in the charge of stealing \$5 from Elizabeth Harris, was arrested.

Richmonders in New York.

"MAKES PROPER DIET" PLEASING FORCE

FAIR GROUS IN FAVOR

The Booths Are Making Most Excellent Records.

ATTRactions FOR TO-DAY

Soap-Bubble Contest for the Children at 5 o'Clock This Afternoon. To-Night is Mystic Shriners' Night.

Visitors to the Confederate Fair last evening saw, in passing through the foyer, a beautiful orange tree laden with fruit, and a veritable Gypsy fortune teller seated at a tent door in gorgeous attire ready to interpret the future and read the portent of the star of destiny for those who sought her aid.

Within the hall everything was very bright and attractive. Three cushions were being voted at Mrs. Montague's booth, where sales had been lively all day.

At the Japanese Booth, Miss Mary Lee was seated beside a well, from which Sam Yick dispensed ice cold lemonade to whoever desired that form of refreshment. Mrs. Epps stated last evening that, among other valuables, a beautiful smoking jacket had been disposed of.

A GREAT SUCCESS. The tobacco booth, from the opening of the fair, has been one of the best patronized in the hall. Mrs. Syde received a valuable donation yesterday, and Mrs. Raab, with all her assistants, decided to thank the donors in the city.

Canter and Cameron, the American Tobacco Company, and others who have been most generous in helping to supply the needs of the booth and add to its popularity, were thanked by Mrs. Syde, who, among other valuables, a beautiful smoking jacket had been disposed of.

A second jacket was being voted off last evening. To-night a third jacket, a coat of arms and several articles of silver, will be voted. The wheel of fortune, in some date proximity to this booth, has proved an active factor in its good luck.

In the voting contest for the beautiful and the fancy work booth, Mrs. Laura Richardson was ahead last evening, but Mrs. Richardson, as chairman of the booth decided that it was best for Miss Laura to withdraw from the contest.

The other syndicate, whose votes were nearest Mrs. Richardson's, were Miss Janet Montague, Miss Elizabeth Simmerman and Miss Marion Lea. A beautiful white satin-trimmed parasol was one of the prettiest wares shown yesterday.

MUCH BUILDING AT FIFTH AND MAIN

Realty and Development Co. Having Plans Made for Vast Improvements.—Notes.

The deed for the Allan lot at Fifth and Main Streets was recorded yesterday from the Masonic Temple Association to the Richmond Realty and Development Company, the consideration being \$34,000. The deed carries with it the old brick dwelling fronting on Sixth Street just in rear of the Second Baptist Church. This is the same property, mention of which has been previously made, as having been sold by Thompson, Brown & Company in addition to the church property, which was also sold by them at the same time.

Now that the settlement has been made, the company is perfecting plans to build the entire square (excepting the church property, which will be delivered later), and are now getting in estimates for their numerous buildings, which will be pushed to a speedy completion.

The company is composed of some of the wealthiest and most prominent business men, who predict a most glowing future for Main Street based on the general prosperity of Richmond, but especially from the large and costly improvements that will mark an epoch this year in the growth and development of this principal thoroughfare, some of which are already under construction and others to be commenced in the near future.
